More Housing,
More Mobility,
More Diversity,
More Affordability
More Opportunity,
More San Francisco.

San Francisco Mayor

Board President London Breed

London Breed is the only mayoral candidate willing to address the housing crisis head-on. She says, "Supply and demand is real and we will see rents continue to climb if we don't address it. More housing at every level is critical to solving this crisis." Vote London Breed for mayor!

District 8 Supervisor

Supervisor Jeff Sheehy

Jeff Sheehy has consistently said that more market-rate housing will lower median prices and help reduce displacement, and that we need to be aggressive in building more housing throughout San Francisco. Vote Jeff Sheehy for District 8 supervisor!

San Francisco Ballot Propositions

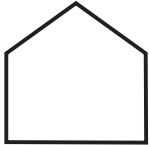

Proposition A
Vote Yes!

Allow the Public Utilities Commission to issue bonds for solar power and other clean energy uses!

Proposition B
Vote No!

Don't discourage qualified candidates from running for public office by making them give up commission seats.

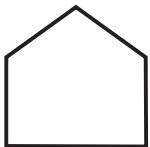

Proposition C
No Endorsement

Early childhood education is critical, but if this measure passes, Proposition D's housing funding cannot.

Proposition D
Vote Yes!

Expand homeless services and build more affordable housing by enacting a modest tax on San Francisco's biggest businesses.

Proposition E
No Endorsement

Flavored tobacco is harmful, but we're wary of addressing public health concerns with a ban.

Proposition F
Vote Yes!

Make San Francisco the first city in the country to guarantee all tenants a lawyer when facing eviction!

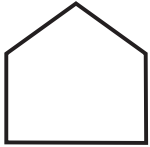

Proposition G
Vote Yes!

Our teachers are leaving San Francisco in droves. Help pass a parcel tax to boost teacher salaries and fund school district improvements.

Proposition H
Vote No!

This measure is **not** about tasers; the police are getting them anyway. This is about the police union making its own laws with no oversight. Even the police chief is against this measure.

Proposition I
No Endorsement

We're not fans of large sports stadiums, but this is a poorly-written measure that would be hard to implement.

Regional Ballot Propositions

Regional Measure 3:
Vote Yes!

Raise billions for BART extensions, Caltrain improvements, and other transit fixes by charging higher tolls for driving across bridges.
